Roles and Responsibilities

School boards provide direction to their schools to ensure opportunity, excellence and accountability in the education system.

Principals, under the direction of their school board, take a leadership role in the daily operation of a school.

Teachers and school staff, under the leadership of their principals, help maintain order in the school and are expected to hold everyone to the highest standard of respectful and responsible behaviour

As role models, staff uphold these high standards.

Students are to be treated with respect and dignity. In return, they must demonstrate respect for themselves, for others and for the responsibilities of citizenship through acceptable behaviour.

Parents/guardians play an important role in the education of their children and are encouraged to support the efforts of school staff in maintaining a safe and respectful learning environment for all students.

Community members need to support and respect the rules of their local schools.

The police play an essential role in making our schools and communities safer. Police investigate incidents in accordance with the protocol developed with the local school board.
