The Board and each school will endeavour to increase education, awareness and outreach, which will help to engage all members of the school community to support school and Board efforts to deal with inappropriate student behaviour, including bullying.

Communications with the school community will include the following Ministry of Education definition of bullying as defined in section 1 of the *Education Act*.

7. CURRENT PLAN OF ACTION 2023-2024

Action item # 1: Bullying Awareness Week and “Welcoming and Inclusive Schools” Campaigns

Bullying Awareness and Prevention is on-going and year-round. Last year our System Wide Bullying Prevention and Intervention Committee theme was **WELCOMING AND INCLUSIVE SCHOOLS**. The Mental Health Leadership Committee feels strongly that this needs to continue to be a focused priority in our schools and have decided to continue with this theme for this year. The role of schools is to enhance the mental health of all students. Before we can understand our students, promote teaching and learning and partner with home, school and community partners, students first need to be welcomed and included into their school environment. What do all students need at school? Every day students need a smile and a warm welcome, a connection to a caring adult, and a sense of belonging and inclusion. They need a chance to learn and a safe place to take risks. They need someone who will notice and reach out when something is wrong, someone who will listen and try to find them help and someone who believes in them and will instill hope.

For Bullying Awareness and Prevention Week 2023, GECDSD Schools will continue to promote and create “**WELCOMING AND INCLUSIVE SCHOOLS**”. By planning activities, launching new initiatives and/or continuing with initiatives that were introduced last year that
