Research Skills

I can choose a topic that appeals to me.				
I can develop research questions.				

Level: Yes/No/Maybe

I know how to access information.	Yes	No	Maybe
I can find relevant resources.			
I can evaluate information for reliability, relevance and authority.			
I can take notes and create an outline.			

I can make a speech associated with my research.				
I can create a presentation using a variety of technologies.				

I know how I think and feel about research.	Yes	No	Maybe
I am excited about exploring a topic that interests me.			
I will look forward to beginning and completing research.			
I feel uncertain about myself and the way I am going.			

es	No	Maybe
